Case No. 2:25-cv-00116-JHC

SECOND STIPULATED MOTION TO
EXTEND INITIAL DEADLINES AND
ORDER

STIPULATED MOTION

Pursuant to Federal Rule of Civil Procedure 6(b), Plaintiffs Wild Salmon Rivers d/b/a/ The Conservation Angler and Wild Fish Conservancy (collectively, “Conservation Groups”) and Defendants the U.S. Department of Commerce and National Marine Fisheries Service (collectively, “the Service”) hereby stipulate and respectfully move the Court to extend the initial deadlines set by the Court’s Order Regarding Initial Disclosures, Joint Status Report, and Early Settlement, Dkt. No. 11, as amended by the Court’s Order granting the parties’ prior Stipulated Motion to Extend Initial Deadlines, Dkt. 13, by approximately thirty days.

SECOND STIPULATED MOTION TO EXTEND
INITIAL DEADLINES AND ORDER – 1
Case No. 2:25-cv-00116-JHC

The Court's initial scheduling order directed the Conservation Groups and the Service (collectively, the "Parties") to complete their Rule 26(f) conference by April 16, 2025, make their Rule 26(a)(1) initial disclosures by April 30, 2025, and file their combined joint status report and discovery plan by May 7, 2025. Dkt. 11. The Parties previously requested that the Court extend those deadlines by around thirty days to allow the Parties to continue to focus their efforts on settlement. Dkt. 12. The Court granted that Motion. Dkt. 13. The Parties now request that the Court extend these deadlines by an additional thirty days.

Good cause exists for the requested extension. Since the Court granted the prior extension, the Parties have continued their settlement efforts. Those efforts have included exchanging draft settlement documents. The settlement efforts are ongoing. The Parties seek to extend the initial deadlines again so that they may continue to focus their efforts on settlement.

Accordingly, the Parties stipulate to and move the Court for an approximately 30-day extension of the deadlines set by the Court as follows:

Deadline	Current Schedule	Proposed Amended Schedule
FRCP 26(f) Conference	May 16, 2025	June 16, 2025
Initial Disclosures Pursuant to FRCP 26(a)(1)	May 30, 2025	June 30, 2025
Combined Joint Status Report and Discovery Plan as Required by FRCP 26(f) and Local Civil Rule 26(f)	June 4, 2025	July 7, 2025

RESPECTFULLY SUBMITTED this 13th day of May 2025.
